Carnival Highlights Evening Program

PANTHER SENTINEL

Volume XIX Salinas, California, Friday, May 19, 1950 Number 26

As We See It

By PHIL TRINE

With the addition of several new colleges the Northern California Junior College Conference has split into three divisions. The new loop arrangement will go into effect during the 1950-51 basketball season.

Hartnell has been placed in the circuit with Santa Rosa, Marin, Menlo, Mt. Diablo, and Monterey. Evidently the "bossmen" have attempted to divide the schools according to size. Whether the arrangement will prove satisfactory is a matter of conjecture.

Santa Rosa is definitely the "tartar" of the group. In recent years the Bearcubs have been a fearful lot in all the major sports.

The Bearcubs were "the toast" of the northern division in football last season, and had several players named to the all-N.C.J.C. eleven. Santa Rosa is definitely building its sports program and only time will tell whether Hartnell, Monterey, and the others can cope with the northern city powerhouse.

Only two former opponents are in the same group as the locals. Menlo and Monterey, two traditional rivals, remain on the Panthers' schedule. Menlo, the Stanford prep college, is always a rough customer. Stars like the Van Alstyne brothers and Rupe Andrews have graced the Menlo roster and Hartnell can well attest to their greatness.

Monterey is definitely a "comer" in N.C.J.C. circles and with two years' experience, the Lobos can be counted on to give an honest account of themselves in all sports.

Marin is the "sleeper" and occasionally rises to the heights. Marin, of course, produced the national junior college basketball champions a few seasons back and usually has broken better than even in the gridiron sport.

Mt. Diablo is the newcomer and the unknown quantity. Probably the mountain boys will need a couple of seasons under their belt before they can aspire to the title. But nobody can say, as yet.

Looking at the entire picture, the locals are by no means being "shuttled down' into an inferior group. There isn't a "weak sister" in the lot and all the colleges seem to be on the upswing. We'll just have to wait and see what the new split brings, but Hartnell enthusiasts should be cautioned not to underestimate the strength of their new opponents.

Next fall the Hartnell gridders stay in their present division, which means they meet the Stockton, Modesto, C.C.S.F., Menlo, San Mateo, and Monterey footballers.

Mt. Diablo, Shasta, and Richmond colleges are the three additions which necessitated the change. All three are in different groups.

"Years Ago" Final Stage Play; Scroggs, Rohrbacher Featured

"Years Ago" will be presented for the second time tonight and will conclude the dramatic season Saturday night. The production is being put on in the Hartnell College Little Theater at 8:15 o'clock.

"Years Ago" is the story of the early life of Ruth Gordon. Thetime of the story is the 1910 period, with Gibson girls and that new invention, "the telephone." The main object in the plot of the play is Ruth's attempt to get on the stage. She is confronted with many problems and blocks on her fast moving path through the three acts.

Gloria Scroggs, who appears as Ruth, and Dick Rohrbacher, who plays the part of "Papa," are leads in the Hartnell College comedy, "Years Ago," which is now appearing in the Little Theater. The show will run through tomorrow night.

The play is mainly a comic one. The family problems and the old time taboos are where most of the humor is found. Of course the play has its serious moment, but these are far outweighed by the moments of laughter.

The play is principally concerned with three characters. They are Mama, Papa, and Ruth. Mama is a rather easy going "mental science" believer, who lets things go as God would have them. Papa, however, is quite different. Having once been a sailor, he still has some of his old habits, such as not caring too much what he says or how he says it.

Ruth is a stagestruck 16-year-old, who is very adult at one moment and the next moment is caught in a typical teen-age situation. Some o fthe other characters are: Fred, Ruth's best beau, who try as he will, fails to persuade Ruth to stay at home and marry him; Anna, who is Ruth's best friend but is not quite sure Ruth isn't just a dreamer; Katherine, Ruth's next best friend, and an admirer who stands by in awe.

Minor parts in the play are: Mr. Bagley, head of the gymnastics class at the Y.M.C.A. in Boston;

Commission Loosens Purse Strings To Pay Bills For Track Awards

A decision was rendered in favor of the trackmen by the commission during Tuesday's commission meeting, reversing a decision made last week when the commission decided to have the men who had won track awards pay for part of the cost of their awards. This decision was thought to have been necessary because of a lack of funds in the track awards budget.

President George Miljanich led the fight to uphold the rights of the track award winners. The money will be appropriated from the present awards budget, the track budget, and the operetta budget.

Ed Adams, director of athletics, submitted a proposed 1951 budget to the commission, requesting more money for the track and track awards budgets. He suggested raising the track awards budget to $200 and the track budget to $850. These amounts will have to be approved by the budget committee.

A letter was submitted from Mr. G. Darwin Peavy, tennis coach, proposing that a budget should be made for tennis awards. He feels that tennis is equally as important as the four other major sports.

Tom Ford, commissioner of pub-

(Continued On Page 3)

Bob Burton, popular athlete at Hartnell, will take over the reins as student body president next fall. Burton copped the presidential post in the student body election held last Monday and Tuesday

Burton Cops Top Post; Yoder 'Veep'

Bob Burton was named by his fellow students to serve as student body president next year when they went to the polls last Monday and Tuesday.

The only office which was not filled was that of commissioner of rallies and assemblies, but a runoff election is being held until 2 o'clock today to decide between Carl Bartlebaugh and Don Schrump who are in the runoff race.

Ken Yoder was elected vice-president; Deon Dyer will serve as secretary; Al Helmso will be the 1950-51 sophomore representative; Bill Temple shall occupy the office of men's representative; Barbara Johnson, running unopposed, was named women's representative; Larry Dimmick is the newly-elected commissioner of social activities; and-write-in candidate Paul Friebel was elected head yell leader.

A total of 435 voters, students and faculty, took part in the election, and Election Committee Head Bonnie Hearn was pleased with the good turnout of eligible voters. Although the number of ballots cast was large, there was an unusually high number of ballots which was disqualified because of violations of the election regulations.

Members of the committee in charge of handling the election who were aided by many other students during the two days were: Chairman Hearn, Peggy Maneely, Sue Rycraft, John Strunk, Phil Trine, and George Jackson. They were also in charge of the run-off election conducted yesterday and

(Continued On Page 2)

Dance, Food Recreation On Bill of Fare

Holiday spirit will reign supreme tonight when the interclub council presents the second annual carnival in the men's gym from 8 to 1 o'clock. Admission is free, and Don Dean's eight-piece orchestra will provide music for dancing.

About 15 clubs and organizations will participate in the affair and will have booths in the carnival for the persons attending. Half of the proceeds the club make will go to a fund which has been set up to help furnish the student union.

Interclub Council President Bob Cancellieri has announced that plans are nearing completion, but help is still needed to help finish the booths. Dance heads Alice Page and Margie Mathers and their committee are handling arrangements and decorations for the dance which is to be held in the gym while the booths are operating simultaneously in the music wing and inner court.

Among the food booths which the clubs will sponsor include: soft drinks, fried artichokes, and candied apples. Amusement booths which will be held at the carnival include: baseball and basketball throws, puppet show, Hawaiian show, grab bag, photograph booth, mystery booth, and an assortment of others.

This year's carnival has been arranged under the auspices of the interclub council, though the Men's Club handled the affair when it was first given last year.

President Cancellieri has evinced general optimism concerning the success of the carnival, saying, "All the clubs have been co-operating with the council to help the affair go over big. All we need now to make it a really big success is to have as many students as can possibly attend come to the carnival tonight in the gym."

Carmel Inn Chosen As Prom Site

Carmel Valley Inn will be the setting for the spring prom, according to Wayne Ingols, commissioner of social activities. The affair will be June 2, and dancing will be from 10 p.m. to 2 a.m. Breakfast will be served from 2 to 3 a.m., according to Ingols.

Bids for the prom will be available tonight at the carnival at the fashion preview slated by Ingols, it was announced. They will go on sale for $3 a couple. Margie Mathers is head of the bid sales.

Letters To The Editor

School Spirit

To Whom It May Concern:

Where, oh where, did our school spirit go? Has life disappeared completely? This institution is now completely devoid of its former warm existence. All of the social affairs "have become tea parties for two." No one else has the guts to come. This lack of interest in Hartnell functions has successfully converted this "college" into what I hear the general student body terms as, "an elder high school for wallflowers."

I sincerely doubt if my letter will receive any answer because I don't think there is any apparent interest in this problem. Remember most of you came here by choice and it's up to you to make Hartnell "HEP" and "SQUARE." According to the latest reports, Gilroy "Junior College" (pop. 000) has succeeded in outdoing us socially.

Let's fight — for Hartnell's sake, don't let's be "deadheads."

Sincerely doubtful,
RICHARD CIMINO

Three Students Dismissed By College President

Three students were dismissed from Hartnell College Wednesday by President J. B. Lemos. Dismissal followed their appearance before the student court where they were found guilty of drinking intoxicating liquor on the college property.

Testimony brought to the attention of the student court indicated that the students drank liquor during the baseball game last Friday afternoon. Guests of honor at the game were more than a hundred high school seniors.

Art Students Sell Tickets For Exhibit

May 26 in the Hartnell College art room there will be an art exhibit by Charles Strumk. This exhibit which will be from 12 noon until 2 p.m. will include both oil and water color paintings.

The design class will also demonstrate some of its works. Tickets for this art exhibit can be obtained from any art student between now and the time the art exhibit takes place at the price of 25 cents.

This affair is another in a series of art exhibits put on by students in Mr. Leon Amyx's advanced classes.

Play . . .

(Continued From Page 1)

Miss Glavin, also a physical culture instructor; and Mr. Sparrow, local friend of all.

The prices are 50 cents for student body card holders and $1 for the general public.

NCJCC Circuit Discusses Split

Three members of the Hartnell faculty will be in attendance at a Northern California Junior College Conference meeting at San Francisco City College next Wednesday to discuss problems dealing with the formation of the new conference divisions. Making the trip north will be President John B. Lemos and Coaches Ed Adams and Elliott Wilson.

Among items on the agenda will be the following:

1. Investigation of proselyting charges against Modesto J.C., filed by Sacramento J.C.

2. Discussion of the proselyting code for the N.C.J.C.C.

3. Adoption of basketball schedule for the three divisions which will comprise the conference.

4. Recommendation for the establishment of a commissioner for each of the three divisions.

5. Adoption of names for the three divisions.

A&M Open House Held Yesterday

Hartnell A. and M. was host on Thursday to an open house activity to which Santa Cruz, Watsonville, Gilroy, Gonzales, and King City high schools were invited. There were also many persons from this area who attended.

The program of the day included the operation of shops and farm buildings, school tours, sheep, swine, beef showmanship contests, crop dusting demonstration by the Atwood Crop Dusters, sheep shearing contest, judging contest, and an airplane crash fire fighting demonstration by naval auxiliary air station crew from Monterey. Folk dancing was enjoyed from 8 to 10:30 p.m. Lunch was available on the grounds all day and during the evening.

Rod Farout, a Hartnell college student, exhibited a steer. Sheep were shown by Claude Russell, Bill Throgmorton, Serigo Bettiga, Chas. Reed and Bernard Dalere.

This event will be an annual affair in the future.

McCann Presents New Composition

Lorell McCann, head of the music department, will present his "Tone Poem in D Major" next Tuesday night, May 23, in the high school auditorium at the Monterey County Symphony. The symphony was presented in the Sunset Auditorium in Carmel last Tuesday.

His work has received much recognition in Northern California. Also appearing in the symphony will be another member of the orchestra, Ronald Panton, who will introduce one of his own compositions. According to McCann "the assembled group of musicians, composed of music lovers in Monterey County, presents its own composers, performers, and soloists. This presents a remarkable picture of culture right in our own valley."

Also in the program will be music all the way back to Beethoven's First Symphony and up to the present compositions by Mr. McCann, the exciting "Tone Poem in D Major."

Shown above are the Hildebrand sisters, Carol and Laurel, who will feature their artistic puppet show tonight at the carnival. The act has been shown extensively in local communities. Laurel attends Hartnell and her sister is a student at Monterey Peninsula College.

—Courtesy Salinas Californian

Sisters Perform In Puppet Act

One of the featured attractions at the carnival tonight will be the Hildebrand Puppet Show, put on by Laurel and Carol Hildebrand. The puppet show is the Music Club's contribution to the carnival. Laurel attends Hartnell and her sister attends school in Monterey.

There will be a series of three different shows and each promises to please all ages. The first will begin promptly at 8 p.m. Such acts as the snake charmer and her snake, Belteshazzar; Madame Nutzi-Cazza, formet member of the Cosmopolitan Opera Company, singing with Leonardo del Tutti-Frutti, former leader of the Alcatraz men's glee club; gorgeous dancing girls, and many more.

The Hildebrand Puppet Show has been performing for several years before audiences of all ages, and promises to be an outstanding attraction tonight.

Men's Club Bikes May Be Rented

Although the two bicycles the Men's Club has provided for student use have proved quite successful, Advisor Mr. Richard Carlisle has announced complete information concerning their rental.

Students who wish to use the bicycles should go to the main office and check out the bicycle, by signing for it and obtaining a key. The bicycles are rented for a minimum of 10 cents. Ten cents is charged for the first hour, and 5 cents is charged for each additional half hour.

Folk Dancing Heads Program

Folk dance assembly was presented last Wednesday in the men's gym. Several interesting and colorful dances were exhibited before the assembly.

Southern Schottische, Meitschi Putz Di, Kohanochka, and several square dances were done by the folk dance class members; Five-foot-Two was done by the Roosevelt elementary school; Koroboshka was danced by Lincoln elementary school, and Hopak, Cabalito Blanco, Corrido, and Italian Quadrille were done by the Hartnell Hi-Steppers.

Members of the Hi-Steppers include Lola Hipkins, Fred Willson, Mary Ann Soldo, Kenneth Copsey, Alice Page, Bill Juster, Laurel Hildebrand, Dick Binsacca, Peggy Armstrong, Henry Eismann, Drusilla Alverna, and Ernie Milesi.

SWIM TEAM LOSES

Last Wednesday, in the Salinas municipal pool, the Hartnell mermen were trounced by the strong Monterey college and high school combined team, 58-6.

Thank You

All pictures of student officers in this week's paper are through the courtesy of the Salinas Californian. Grant Markham and Andy Ausonio photographed the officers.

(Continued From Page 1)

lic relations, reported that $11.60 was received from the jukebox in the cafeteria. The school is now dealing with a different music company.

It was reported by Carl Bartlebaugh, freshman class representative, that the collection of class dues will get under way as soon as the voting is over and there is not so much commotion in the halls. It is necessary to collect dues in order to make up the loss sustained at the Pajamarino.

CAMPUSOLOGY

By GEORGE JACKSON

Surprising many with a sudden burst of power, the clawless Panther baseballers came through with their first conference win last Friday. Although the locals had a rough go in the first game, they managed to come back and take the second contest.

Speaking of the first game, one of the highlights of the game was a home run blasted by a Stockton man that landed on the cafeteria roof. Leftfielder Bill "Cas" Casalegno watched the ball sail over his head and when he was queried about the blow later he said, "I couldn't have gotten that ball with my nose."

* * * *

Editor Phil Trine was feted on his recent birthday by passengers of famous bus 24, "Little Toot." Gifts were lavishly heaped upon him in honor of the occasion including: jacks and a ball, a top, a yo-yo, clay modeling set, bubble blower, firecracker, and a potted plant. Although there were 23 candles on the cake, Phil hastened to tell everyone he was only "17." YEAH!

* * * *

Some of the local boys who were "fortunate" enough to act as models at the fashion show for the visiting senior girls last Friday ran into more than they figured on. It seems that Pete Smith, Ken Yoder, and Winston Moore were to model sport shirts made by Dorothy Hodge and Carol Storment to help show home economics work.

Seems that after the creations were displayed the gents were strolling through the home ec department went only where only fools (male fools, that is) fear to tread. Amidst the screams of many surprised women, they made a hasty departure and took their leave of that department.

* * * *

While the seniors were here it seems there were many students who wanted to help guide the visitors around our fair campus. Not being asked to assist beforehand, they did the next best thing and made "guide" signs to distinguish them from the peasants.

Although the idea was of the highest intention, it seems the boys were thwarted in their noble efforts to assist certain young ladies in finding their way around the college. It would appear that the younger generation does not appreciate the great amount of attention tossed their way by some of the "older" and more experienced students.

Radio Play Ends On KDON May 21

Third and concluding episode of the eighteenth century drama, "The Vicar of Wakefield," will be presented Sunday night at 7:05 over KDON, according to Mr. Hal Ulrici, director.

Starred in the performance will be Richard Cimino, Ralph Rowland, Alice Page, and Jackie Day.

Farmers Arrange For Barbecue

The Salinas chapter of the California Young Farmers will hold a barbecue at Bolado Park Sunday, June 11. Bob Mendonca will act as general chairman for the affair.

The PROM comes in just two weeks. You had better order her flowers NOW!

Locals End Season With Win Over Stockton Nine, 6-5

Lady Luck finally smiled down upon the Hartnell Panthers last Friday afternoon when Hartnell eked out a close 6-to-5 decision over the hard hitting Stockton Mustangs on the local diamond. The winning run came across in the last of the ninth innings of the regular seven-frame second en-counter when Frank Paz walked and scored from third base on a wild throw by the catcher for the Mustangs.

Big Al Navaroli pitched effective six-hit ball in the aftermath which gave the Panthers their first league win in twelve starts. Bill Casalegno led the attack for the Panthers along with Frank Paz who both accounted for two bingles in four trips to the plate. This battle closed conference play for the Panthers which was copped by the San Mateo Bulldogs.

Chuck Jackson started on the mound for the local baseballers in the first game, which was lost, 18 to 4, but gave way to Frank Brumbly and Bill Casalegno. This was Casalegno's first appearance on the mound for the Panthers and he set the opposition down in order in the ninth inning.

The Panthers combed the slants of Beliqua and Brawley for nine hits in the nightcap with the latter taking the loss after relieving in the fifth inning.

Flori and Mecelin accounted for home runs, the latter's circuit clout coming in the first game and Flori followed with the same in the closing encounter. Both landed on the cafeteria roof.

Magginis Lead In Noon League

Still leading the pack in the intramural softball league, the Magginis, piloted by Glen Albaugh and George Jackson have lost one game and have tied one. Bill Binsacca has baffled the opposing teams with his curve and red-hot fast ball, and the tight infield does not allow many balls to get through them. Binsacca has won six games and lost none for the Magginis.

The Sea Lions managed by Phil Trine are going strong in second place with three wins and three ties. Fred Maroni and Bunky Millsay have done effective hurling for the Santa Cruzans but have not been able to keep up with the hot pace of the Magginis.

Many interested spectators have come out to the softball games and have been giving their support to the teams. Games are played behind the men's gym.

The standings of the teams are as follows:

Team —	W	L	T
Maggini	6	1	1
Sea Lions	3	1	3
Vultures	4	6	0
Da Boys	3	5	1
Stars	2	5	1

Netsters Beat Menlo, Visalia; Enter NCJCC Tourney Today at Modesto

Coach Darwin Peavy and company made it two in a row last Saturday when they defeated the visiting tennis men of the College of Sequoias from Visalia, 5-1. The previous week the locals outplayed the Menlo team, 5-2.

These two wins made the season average four wins and four losses, and the league average was two wins, three losses. Teams defeated by the Panthers were Salinas high school, Monterey Peninsula, Menlo, and Visalia. The locals dropped matches to San Jose State, San Mateo, Stockton, and the champion Modesto team.

Yesterday the tennis team traveled to Modesto to enter the N.C.J.C.C. championship tournament. They stayed overnight and started playing competition this morning at 8 o'clock. Last year, only one man got past the first round into the quarter-finals.

Summary of Menlo match —

Singles:

1. Bill Slater (M) d. Dick Skanse (H), 6-2, 6-4.
2. Harry Koue (H) d. Jim Keller (M), 6-2, 6-0.
3. Cliff Herman (H) d. Don Daugherty (M) 10-8, 6-1.
4. Gerald Skillicorn (H) d. Willis Blanchard (M), 6-2, 8-6.
5. Gary Robinson (H) d. Raul Salaveria (M) 6-0, 6-3.

Doubles:

1. Slater-Daugherty (M) d. Koue-Robinson (H), 7-5, 6-3.

Herman-Skillicorn (H) d. Keller-Ballentyne (M), 6-4, 7-5.

Summary of Visalia match:

Singles:

1. Al Anderson (V) d. Dick Skanse, 6-2, 6-4.
2. Harry Koue (H) d. Bob Linebargar (V), 6-1, 6-1.
3. Cliff Herman (H) d. Bob Marcellus (V), 6-1, 6-3.
4. Gerald Skillicorn (H) d. Neil Norman (V) 6-3, 3-6, 6-3.

Doubles:

1. Koue-Skanse (H) d. Norman-Anderson (V), 6-4, 6-1.
2. Robinson-Herman (H) d. Lindgerger-Marcellus (V), 8-6, 6-3.

Locals Place Third In Medley Relay at West Coast Relays

Traveling to the West Coast Relays at Fresno on Saturday, the Hartnell college track team took a third place in the distance medley relay. In the medley Winston Moore ran the 440, Tony Foster ran the 880, Bud Chase ran the 1320, and Dave Delucci ran the mile. The four members of the distance medley relay team received belt buckles for the third place.

Hartnell college lost a chance for more points in the 880 relay. The Panther team was running a good second when the baton was handed to Irwin Karp. The Riverside man who was a fraction of a length behind Karp pulled over to hand his baton, banged into Karp, and three men went sprawling. By the time Karp could get up, it was too late to get back into the race. The Riverside team was disqualified.

In the discus, Loren Green and John Dobbel did well for themselves by throwing the platter 133 and 132 feet respectively.

Badminton Team Host to Carmel High

Hartnell was host to Carmel high school in a badminton tourney last Tuesday afternoon. Salinas had a good turn out, although they did not show so well in the women's singles and women's doubles.

Outcome of the games was as follows:

Women's singles, Hartnell 2, Carmel 6; women's doubles, Hartnell 0, Carmel 7; men's doubles, Hartnell 1, Carmel 0; mixed doubles, Hartnell 4, Carmel 1, one game tie.

SPORTS JARGON

By Gary Robinson

To the surprise of everyone, the Panther horsehiders came in with a win last Friday over the Stockton Mustangs. Coach Jess Regli must have given the boys a shot of adrenalin after losing the first game 18-4. They came out in the evening game and for a change gave their pitcher, Al Navaroli, good support.

In the first game, southpaw Chuck Jackson was pitching a strong game until a batter stepped up and rapped one on top of the cafeteria. This was one of the longest clouts these eyes have seen on the local diamond. Another four-bagger was dropped on the cafeteria roof in the second canto, almost as long as the first.

Although the locals had a potentially good team, a weak pitching staff and numerous errors cost them games. Coach Regli expects many members of the team to return next year.

* * *

Well, it seems that Bill Walker, a star of last season's football team, is doing fine at San Jose State. One of the sports writers of that college has written us saying that Bill has done very well in spring practice, and is one of the best candidates for Bronson's backfield for next fall.

Bill had to have aluminum casts for both of his knees, in order to keep them from being injured easily.

Another Hartnellite, Bill Key, is rumored to be doing rather well at San Jose. He seems to be having a little difficulty in moving fast enough to suit the coach, however, which arouses Bronson's ire no end. As his coach does not swear, he releases his anger by saying "Oh, pooh!" Bill Key is officially known as the "pooh" boy.

* * *

Congratulations are in order for Loren Green, who was elected Captain of the track team by the team members. Loren has been a steady point-gainer all season in all of the field events.

Some marks in the various events in which he has entered are; javelin, 162' 8"; broadjump, 20' 6"; highjump, 6'; pole vault, 10' 6"; and the discus, which he threw 133' last week in the West Coast Relays for his longest toss.

* * *

Coach Ed Adams believes in starting early. He has already started some fellows that expect to go out for the basketball squad, to working on certain fundamentals. He wants to take the championship of the new division of the NCJCC that was formed recently. In it are Mt. Diablo, Marin, Santa Rosa, Menlo, Monterey Peninsula, and Hartnell.

Coach Adams wants to develop a team that will be the one to beat in the league, and it is entirely possible with the most material that he has had in some time.
